SUMMARY

Interior Designer and Design Manager with extensive experience in interior and exterior design, furniture design, creative development, project management, and quality control. Experienced in residential and commercial projects including houses, shops, offices, and landscape projects, with the ability to work across multiple design styles including Modern, New Classic, Ultra Modern, Islamic, and Industrial.

Experienced in leading creative projects, preparing design proposals and presentations, working with clients and multidisciplinary teams, and coordinating design and execution requirements. Strong interest and expertise in contemporary Islamic interior design, with ongoing research focused on developing modern interpretations of Islamic design suitable for contemporary clients.

Experienced in BIM workflows using Revit, in addition to 3ds Max, AutoCAD, Photoshop, and shop drawing production.

EDUCATION

Faculty of Art Education, Helwan University

Bachelor's Degree in Art and Design

2010
